### "Food and Wine" Association :

It would be wise to taste this cuvée accompanied by a veal steak with fresh truffles. This cuvée should offer a nice acidity, in order to offer a tonic aspect to the whole. The truffle flourishes in this dish with this vintage.

### Tasting advice:

Consume at a temperature of 10 degrees.

A tasting glass resembles a wine glass, it offers a closed wall allowing the aromatic salts to be concentrated. Elegance and refinement for a tasting with friends or family.
